Max pooling
Min pooling
avg pooling
L2 pooling
Global pooling

feature map (non-linear)

low level details eliminated

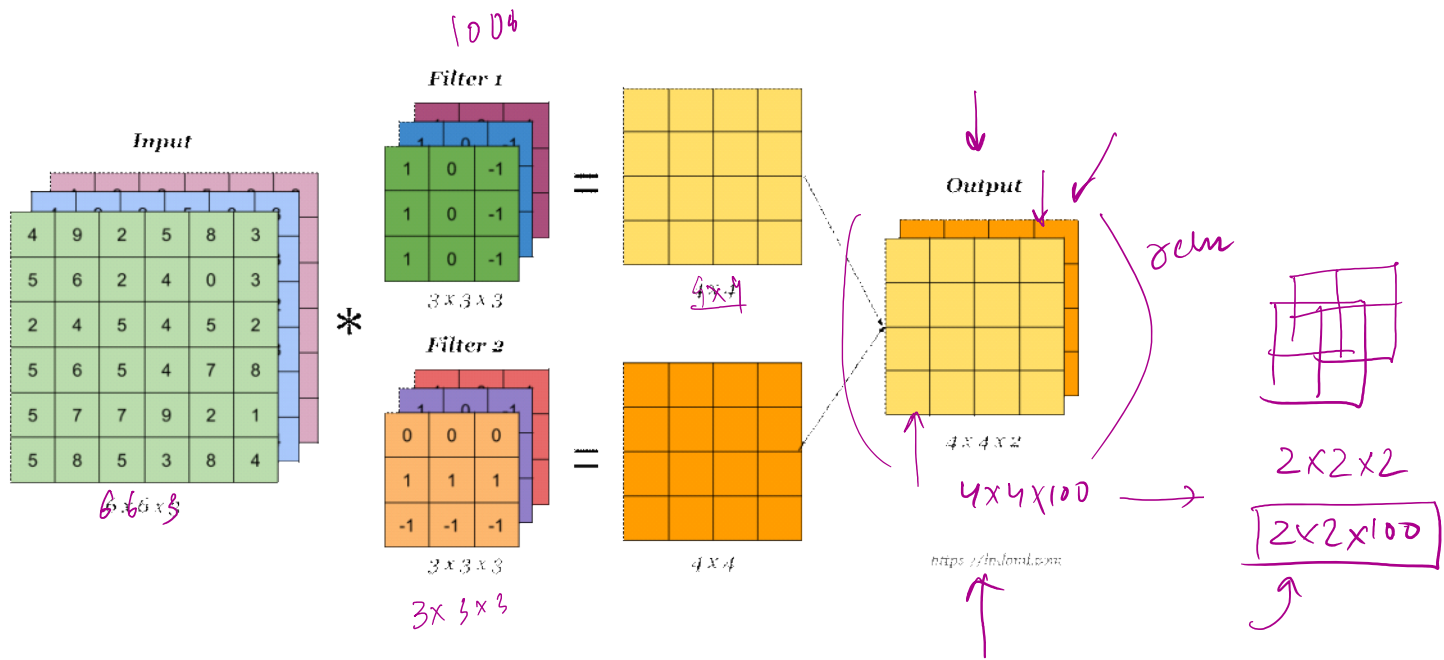

Demo

01 September 2022

09:57

Pooling on Volumes

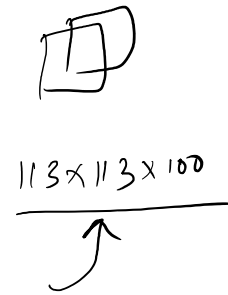

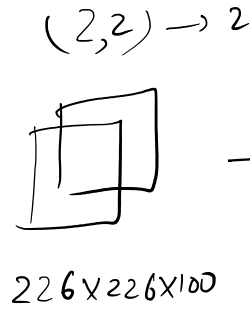

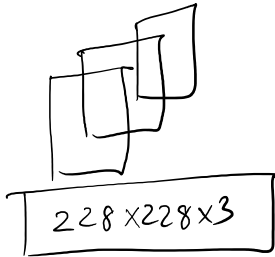

01 September 2022 09:56

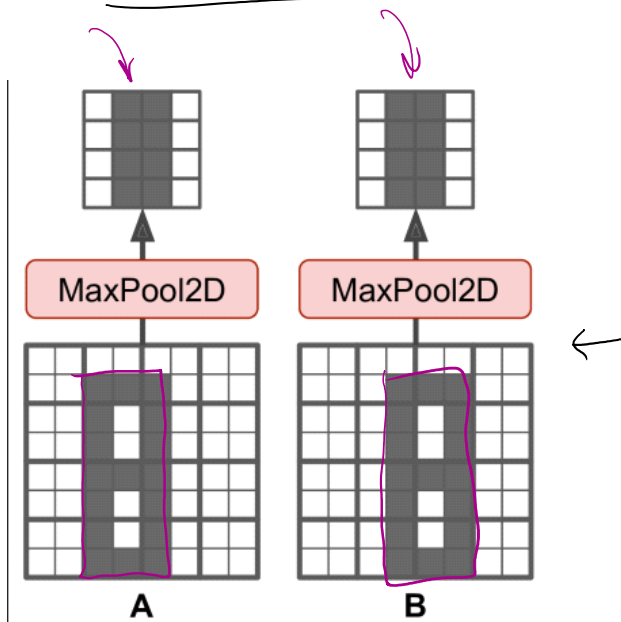

Advantages of Pooling

01 September 2022 09:56

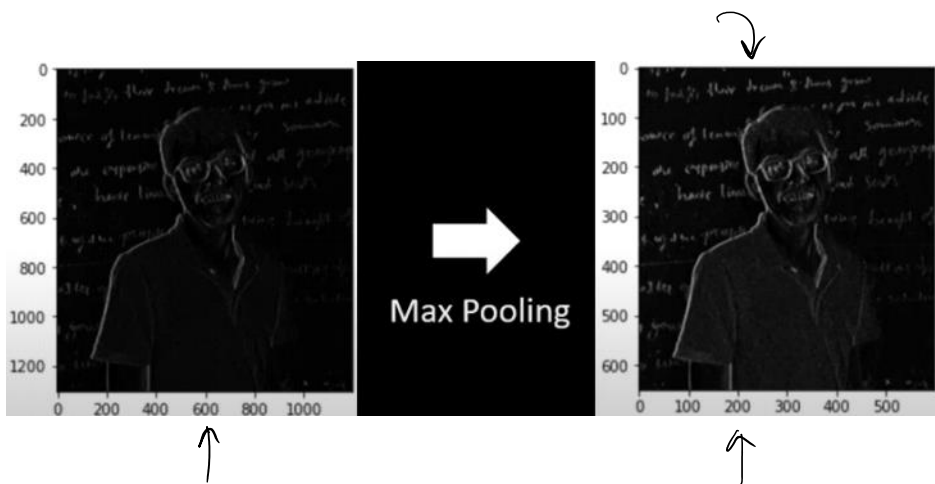

1) reduced size

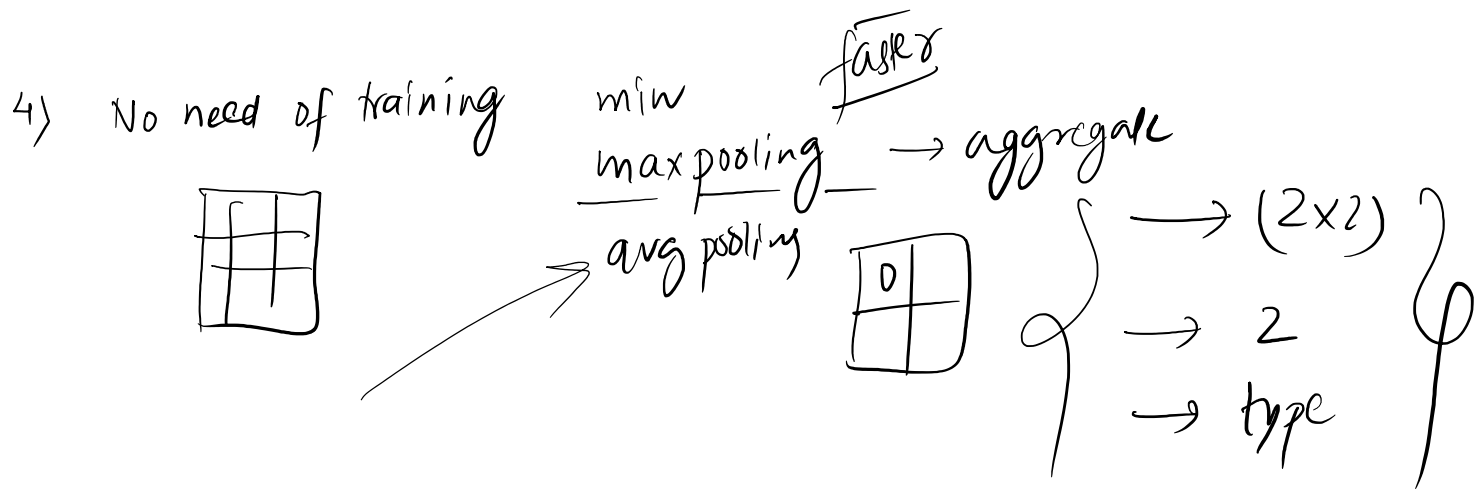

2) Translation invariance

3) Enhanced features
(only in case of Max pooling)

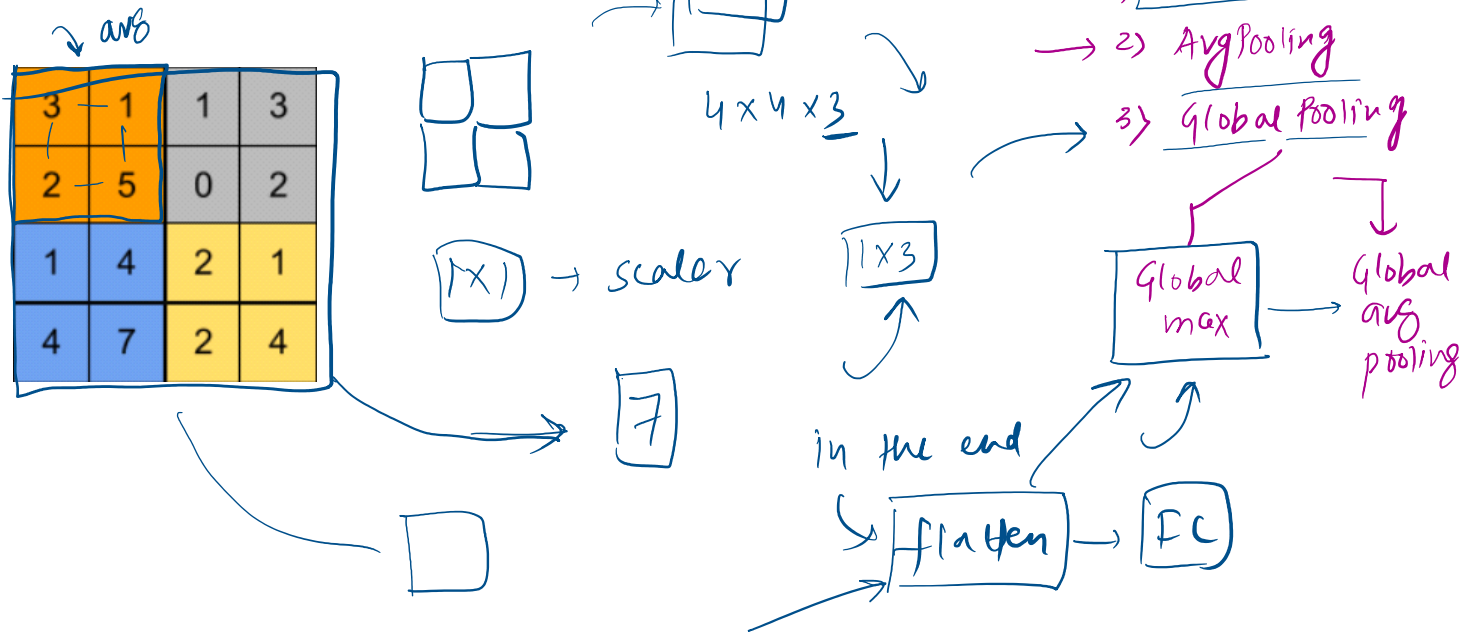

Keras Code

01 September 2022

Types of Pooling

01 September 2022 09:57

Disadvantages of Pooling

01 September 2022 09:57

lose a
lot of info

$$4 \times 4 \rightarrow 16$$

$$2 \times 2 \rightarrow 4$$
